

WELCOME TO OUR NEW COMMUNICATION VIA THE WEB SITE

Our objective is to keep our lady golfers as up to date with information as possible.

Notes will be posted when necessary so keep an eye out for changes.

The new fixture book will be available early in the New Year but until that is printed refer to the Monthly Events tab for our 2011 calendar.

If you haven't already updated your personal details on the web eg email address & require assistance please ask one of the Committee ladies to assist you. This information is extremely helpful in communicating with you personally if necessary.

Regards

Committee
